WHO I AM?

I am a VFX Prep Artist with the experience of working in media industry from last 9+ years with several studios as an Employee. I am from Science and art Background. I am a multitasking artist. In my 9+ years of Career I have worked on several things which include Roto, Stereo Grading, Prep/Paint, 3DTracking, Compositing.

I had started working in Animation and VFX industry from 2011 on Movie called "Green Lantern". It was my first experience and was very good learning opportunity in Prime Focus. Currently I am working as a RotoPrep Team Lead In MPC Bangalore since July 2016.
